Forecast For Dumfries, Galloway, Lothian & Borders
Issued by Met Office Aberdeen
at 0400 on Wednesday 25 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry, sunny and warm. Cloudier towards east coasts.

Today:
A fine, dry, sunny and warm day for the majority with temperatures highest well inland. However Cloudier towards the east coast with the chance of some mist and patchy drizzle at times. Light northerly breezes. Maximum temperature 26 deg C (79 deg F).

Tonight:
Some late sunshine then turning increasingly cloudy from the east late evening and overnight, with some patchy light rain possible. Light northerly winds, occasionally freshening across eastern coasts. Minimum temperature 9 deg C (48 deg F).

Thursday:
Rather cloudy start, but sunny spells soon increasing on a fine, dry day. However temperatures significantly down from Wednesday, and feeling noticeably cooler around eastern coasts in brisk northerly breezes. Maximum temperature 23 deg C (73 deg F).

Outlook for Friday to Sunday:
Settled fine, dry weather dominating the vast majority with plenty of sunshine and light winds. Temperatures not up to the levels of Wednesday, but still significantly above the seasonal averages.
